REACH Statement

REACH is a new European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the Registration, Evaluation, Authorisation and Restriction of Chemical substances. The new law entered into force on 1 June 2007.

Minnitron Limited is an Article Producer (Downstream User) as defined in the REACH regulations.

We have confirmed with all major suppliers that no substance classified as very high concern in any list published up to and including 25th June 2020, is used in any product supplied to Minnitron.

We have confirmed that supply continuity of all products used in the manufacture of printed circuit boards by Minnitron Limited will not be affected by the REACH regulations.

Should we become aware of any change to this situation, we will immediate take steps to -

- notify our customers and,
- minimise disruption to continuity of supply.

Signed,
Paul Goodfellow (Managing Director).
