

SVHC Declaration of Compliance

Ramsgate, 21.04.2026

Information regarding Substances of Very High Concern (SVHC) according to Regulation (EC) No 1907/2006 (REACH), Art. 33 / REACH-ANNEX XIV / REACH-ANNEX XVII

SVHC (substances of very high concern) are chemical bonds (or part of a group of chemical bonds) for which the approval of application within EU is subject to the REACH-regulation.

The first list of SVHC has been published on October 28th 2008. The latest version dates February 4th 2026, including 253 substances.

Based on the information currently available to us from our material suppliers, we can assure that none of the SVHC listed substances according to above issued status are contained in the Printed Circuit Boards and other products, placed on the market by Minnitron Ltd., in a concentration above 0.1 percent by mass (w/w). Conformity to REACH-Annex XIV / XVII can thus also be guaranteed.

Exception: If you have explicitly ordered the printed circuit board surface HAL SnPB, one of the substances currently listed in REACH-Annex XIV (lead, CAS 7439-92-1) is contained in the printed circuit boards delivered to you with a content of more than 0.1%.
